

WHY STELLA POINT

FLEXIBLE

Every business is unique and success is predicated on the flexibility to find the right solution for each situation.

THE STELLA POINT DIFFERENCE: Our capital sources afford us the ability to address structure, time horizon and investment size.

FOCUSED

We are unwavering in our commitment to develop a partnership that creates long-term success for management and the business it directs.

THE STELLA POINT DIFFERENCE: We are able to provide unparalleled senior level attention to our management partners due to our nimble, flexible and straightforward relationships.

EXPERIENCED

Our reputation is the cornerstone of our business.

THE STELLA POINT DIFFERENCE: We are highly experienced and dependable partners. Our managing partners invested over \$2 billion of capital across more than 35 investments, at their prior firms.

VALUE CREATORS

We enhance successful businesses by providing highly motivated management teams access to valuable resources.

THE STELLA POINT DIFFERENCE: The firm was created to leverage its experience facilitating business building by:

- Providing value-added counsel
- Unlocking growth opportunities
- Accessing exceptional execution resources
- Investing with flexible capital
